

January – February 2024

Report Letter

Dear Churches, Pastors, and Friends:

Almost all of January was spent in Texas visiting many churches for Sunday meetings, special meetings, and a missions conference. In the first 8 days we were in seven different churches! We met many new pastors and friends along the way. We are so thankful that out of this trip **Open Door Baptist Church of Liberty Hill, Lighthouse Baptist Church of Grand Prairie, and Mt. Pleasant Baptist Church of Mt. Pleasant, Tx** are now partnering with us to Serve God's Servants! **Thank you to all the other pastors and churches from last year that also called or messaged at the beginning of the year to let us know you have taken us on for support! We are now at 50% pledged support!** I also want to thank Bro. Matt Wilkerson and Galilean Baptist Church for letting us use their prophet's chamber. While we were there, the arctic blast froze the water pipes. The water line broke in several places and we realized that it would probably be best to re-run all the water lines for the prophet's chamber. Thankfully, we finished this in between meetings and did some other repair projects.

At the end of January, we traveled down to Louisiana and were in four churches there. We had the opportunity to help Pastor Aaron Weido of Temple Baptist Church in New Iberia rebuild a sub floor for a church re-plant in Pierre Part, LA. Bro. Bobby Tucker is the pastor of this re-plant. Please be praying for him as there is much work to be done in Pierre Part on the building and to reach the lost. We would like to give another special thank you to Pastor Don Tinsley of Indian Hills Baptist Church in Shreveport for the special meal and love shown to our children, and for taking us on for support!

We finished out February with two more missions conferences, a couples retreat, and recording a family cd. A special thank you to Pastor Cooper for his patience and help with this! It will be a few months before it will be ready for us. I am also grateful for my wife Ambre and my kids for all their hard work and endurance the past two months for us to fit all this in. I praise the Lord my boys were able to be with Pastor Mickey Ellis as he witnessed to a lady and she made a profession of faith!

We have now reserved our tickets for ARUBA! We will be assisting Bro. Matthew Shields with the three churches there, filling in for him for a few weeks, doing a VBS for the churches, preaching on the radio, discipleship, and much more. We also hope to see two more churches in Curacao that are without pastors and need help. **Please pray for the financial needs to be met for this trip, and most importantly, God's blessing on it.** Thank you for your prayers and support!

For Christ,

The Hershberger Family
