

November - December 2025

**Report Letter**

Dear Churches, Pastors, and Friends:

Sometimes God changes your plans about something and gives you a new set of plans. Our plan was that our baby daughter would be born in December in Arkansas. We had a few meetings for the first three weeks of November in Missouri, Kansas, and Florida. When we were two days from our last meeting in Shreveport, LA, Ambre's water broke. Sure enough, Harmony Joy Hershberger was born 5 weeks early in Shreveport and had to be in NICU for six days, all the way through Thanksgiving. Thankfully, Harmony's oxygen and other levels came up for us to be discharged right at the end of November. My wife and I would like to say **thank you to those who reached out to us when our daughter was in the hospital. She is doing well now and we praise God for it!**

December has been filled with doctor's appointments, dentist appointments, and one trip for my youngest son and I to Bible Baptist Church in Bethany, MO. Pastor Sorenson and their church was such a blessing to us. I have been setting up projects for this coming year, will be building three websites in the coming week, and doing quite a few projects for Arkansas church plants and replants the next two months. There is much to do! Please be in prayer with us that God would guide us in 2026 to exactly those He wants us to help. One missionary in Papua New Guinea said He and his wife just wish that someone could come help them – and this is the cry of many of our missionaries and church planters. **Missionary Job Hale contacted me saying he needs helpers to do VBS meetings in remote Alaska villages this summer.** Please pray that God will send laborers to help all our missionaries.

**2025 Recap:**

Presented Serving God's Servants in 60 churches, over a dozen projects, served many pastors, church planters, and misisonaries, and privileged to give the gospel even in remote villages of Alaska – God is good!
